## Profile

As an ambitious IT student with a keen interest in finance, I offer a diverse skill set that bridges the gap between technology and finance. My coursework in IT has equipped me with the technical prowess to develop and maintain strong financial software systems, while my financial knowledge allows me to understand and address the university's specific needs.

## Experiences

- Attended Leadership Training Camp: Leaders on the Rise (2018)
- Attended World Environment Day - Paete Chapter (2018)
- Attended Comprehensive Plan for Children Workshop (2019)
